

Heart & Home Craft Show

The Newcomers and Neighbors of Seymour and Oxford, Inc.
P.O. Box 102, Seymour, CT 06483

February 14, 2008

Dear Crafter,

The Newcomers and Neighbors Club of Seymour and Oxford, Inc. will be holding its 16th Annual Heart and Home Craft Show on Saturday, October 18, 2008 at The Seymour Middle School, Seymour, CT.

Enclosed is an application for you to return to us by May 1, 2008. Please note a change we have made to the application. In an effort to eliminate 'buy/sell' items at our show, there is a question asking you if you hand-make all the items you sell. We are looking for crafters who hand-make their crafts, not buy them from somewhere else and re-sell them at craft shows.

There is also a spot to let us know your price points. Let us know the range of how much your items cost.

This year we have made the crafter application available on our website at www.newcomersseymouroxford.org. Also, Paypal is now available on our website for those crafters that would like to make their payment using that amenity.

We look forward to receiving your application and to another successful show!

Sincerely,

Karen Bertapelle

Pat Decicco
